## INTIMATE THOUGHTS AND XXX ADVICE

*My wife Farrah and I, admittedly, are a little wild. We've been swingers for five years and have enjoyed almost every minute of it. When I say almost it's because it's gotten a little stale lately. Until last month.*

That's when we received an invitation to a new swinger's party. Most swinger's have to be invited by others and that's what happened here with one of our swinging partners. This group met at a large mansion in Pasadena near L.A. For those that don't know, Pasadena was, and maybe still is, one of the elite sections of the city where many movie stars lived. Apparently this house belonged to one of the most famous actors of the 40s and 50s.

The beautifully printed invitation announced a Hollywood themed gathering, so I was going as my mid-20th century favorite, Clark Gable and my wife channeled blonde bombshell Jean Harlow. When we arrived, everyone looked like a yearbook of who's who. We were confronted with a menagerie of familiar faces, well, almost familiar in that everyone tried to look like the movie star they were emulating, us included.

We were in a large room with a stage about thirty feet wide, with cocktail tables and several overstuffed sofas surrounding it. We found a table near the stage wondering what was going to happen. Looking around the room we saw 'Bogie and Bacall, Mae West and Valentino,' and so many more. Being L.A., the clothes

and make ups were incredible. Right at midnight the room's lights dimmed and spotlights lit the stage curtain. A moment later 'Bob Hope' came out and tried to crack a few lame jokes and then introduces the first act, 'Raquel Welch.'

The curtain opens and there is a small set that looks like a cave opening with a fake fire and some large styrofoam rocks all around. The background music helps set the scene as she comes out. She is a gorgeous, tanned, leggy woman, stunningly beautiful, and damn if she doesn't look just like 'Raquel' in that famous fur bikini from One Million Years B.C. A loud growl is heard off stage and she looks around, somewhat frightened when a hunky caveman jumps out to capture her, then another, and another. She puts up a choreographed struggle and they ultimately subdue her.

One hunk got behind her and pulled down her bottoms and the other hunk went down on her. Then the guy behind pulls off her bikini top, but covers full boobs with his hands hiding them. She 'struggles' a bit and his hands grab her wild hair exposing her amazing breasts to the wildly applauding audience. Suddenly this has

become more interesting. (Everyone had always wanted to see 'Raquel's' breasts, but I never thought there would have ever been a chance of that happening.) 'Raquel' the sultry cave girl, made animalistic grunting noises, went down on her knees with her back to us, and mumbled, "Here, come here," to the cavemen and pulled their loincloths off and immediately started sucking their prehistoric cocks.

Both men had raging hard-ons, and her sensuous mouth was giving tongue kisses all around their shafts and heads. Her left hand moved to one man's balls and then the other's caressing them as her lips started sucking harder. The threesome turned more sideways so we could see them better and it didn't take long until her mouth was driving the men 'crazy' as they jumped around, caveman-style. She stood up and her beautiful boobs were bouncing in the rhythm with their motions and making more grunting sounds. The men grunted, too and soon had her on her knees again, doggy-style this time, with one getting a bj in front and the other fucking her from behind.

This was quite a scene and the audience applauded with every sexual grunt and groan. Raquel started sucking faster and was getting fucked harder and faster when suddenly a third caveman jumped on stage.

He 'hits' the guy getting blown who lands on one of the rocks. He pushes the other guy off and pulls 'Raquel' up by her hair.

He 'slaps' her and she lands on the guy on the rock who grabs her boobs holding her there. The third guy caveman-walks over and spreads her legs and starts to eat her out. The guy holding her manages to slowly stick his cock in her ass and the guy eating her rips off his loincloth and sticks his cock in her pussy for a prehistoric dp. Not wanting to be left out, the other caveman goes over to them and offers up his cock to her mouth. The three go at it for another twenty minutes in different positions and we applaud after every change.

By now, the cavemen were getting close to cumming and make louder grunting noises. First, it's the guy fucking her pussy spurting on her stomach and chest. A moment later the guy she was blowing explodes in her mouth and cheek, then backs away leaving only the butt-fucking caveman. 'Raquel' leans forward and puts her hands on her knees and starts twerking her ass on his cock. She lets out a couple wild screams and howls as she cums, then gets off the cock and finished him off with a hand job, squirting on her ample chest.

'Raquel' steps to the front of the stage, scans the audience and rubs the remaining cum all over her chest and stomach. She then turns around and bends over to pick up her tossed bikini giving us one last view of her marvelous ass and wet pink pussy. Exit stage left.

The curtain closes and 'Bob Hope' comes back out dressed in fatigues and carrying a golf club. He thanks the actors, cracks a few more jokes, and introduces the next act to come on after a fifteen minute intermission to change the set on stage. The room lights come up and we refocus our attention to the audience. A bit surprised, I see women on their knees blowing their partners. Lots of exposed breasts throughout the room that must have been getting rubbed during the last show, and there was a little threeway going on in one of the sofas on the side.

Soon, my wife and I were approached by 'James Bond and Pussy Galore' who asked to join us. We agreed immediately sensed sexual chemistry between the four of us. Maybe it was the costumes or the residual effects for the stage act we just witnessed. We talked for a few more minutes before 'Bob' came back on in front of the curtain to announce the next act.

"Ladies and Sperms..." he starts, please welcome 'Cleopatra.'" We all sat in silence as the curtain opened Egyptian queen manifested herself from behind a wall of appropriately skimpy dressed hand maidens. The 'Elizabeth Taylor' looking lady was stunningly made up like the famous queen. Beautiful purple eyes, stark

black hair and a head dress to make Tut envious. Her hand maidens wore similar hair and had scarab chest plates from the neck to a few inches above their bared breasts. How they found six nymphs with almost perfect breasts on each one, is a wonder onto itself. Long white gowns, bare from the hips up, had a long piece come up from the waist and connect between bare breasts to the chest plate.

Suddenly a trumpet fanfare quietly blasts from back stage and 'Marc Antony' enters stage right followed by half-a-dozen aptly dressed centurions. After some corny dialog, 'Cleopatra' takes her gown off revealing perfect nipples on perfect breasts. She's left in a g-string with a scarab embellishment covering her pussy slit. Matching sandals complete the look. She goes over to Marc, takes off his helmet, and unwraps his lappet (kilt) revealing a semi-hard cock underneath. She side-hugs him, cock in hand, stroking him to rigidity. Marc's body began to shake from the marvelous hand job her was getting.

It was obvious he would not last long but 'Cleopa-

tra' did her best to make him retain his excitement without cumming for a while yet. Her pink lips were alternating their rhythm and tension, and she was constantly keeping eye contact with him. Suddenly, Marc forced her head down and shouted out loud as he fired his jizz into her mouth. It must have been a big and eye-widening load, but 'Cleopatra' kept on swallowing. The first centurion was already in position waiting his turn and 'Cleopatra' moved to take care of him. After he had finished emptying his balls with a few last twitches of his hips, the other stiff soldiers followed, one after another as all six did their part for the empire.

Every time when a centurion came, the insatiable queen's black-nailed fingers immediately started fondling and stroking their hairy balls, making sure each would shoot absolutely everything they had. The last centurion, a big, brawny hunk of a man seemed to have a bit of a hard time cumming so she had to deepthroat him so hard her boobs were bouncing vigorously. Her hands clawed into his butt cheeks and her tongue came out to meet his balls as they slapped against her chin. She made a muffled sound when she suddenly found herself gagging on the man's semen, but she handled it very well and just started bobbing her head faster until he came. She had sucked every man to the finish and swallowed everything.

During the last two soldier's scene on stage, my wife had unzipped my pants and pulled my cock out. 'Pussy Galore' saw this and did the same to her date, but then pushed him closer to 'Jean' who took his cock in her other hand. 'Pussy' came behind me and pulled out my wife's boobs out of her flapper dress and started sucking on her nipples. As she rubbed my wife's boobs, she noticed a sofa that was empty. She told to go over and she laid on it on her back. 'Bond' began fucking her, and his hands were constantly moving and touching her ass and hips and breasts.

She motioned me to join in and I did. Her back arched, and 'Bond' and I were alternating our rhythm, him thrusting at the same time as I was fucking her mouth. We all started groaning louder and louder until she had the biggest orgasm I had ever seen. 'Bond' too came and literally shouted and drove his hips with all his strength while tightly holding on to 'Pussy's' hips. I drove my cock deep into her mouth and my balls tightened as they fired all of their contents into her hot mouth.

My wife watched this and was playing with herself to climax when 'Bond' went over to her sitting on the sofa arm, and replaced her hand with his mouth. He licked her to climax as 'Pussy' and I watched. The images were surreal as my wife came again and again. Soon afterwards the lights dimmed again and 'Bob' came back out. The show must go on.

## LETTERS FROM OUR READERS

*Letters that should or shouldn't have been written, or at least sent to us!*

### BESTIES

My good friend Minnie and her long time boyfriend, then husband, Raymond had been married for year. Unfortunately, over the last few years Minnie grew tired and weary of her man. While he seemed to have a tremendous amount of testosterone and he could fuck her all night long, she would never get any rest at night and this was really affecting her job. She would call me on her lunch and sound like she was about to fall asleep.

A few months ago she was confronted with making a decision if to stay with him, or not. She would call me at all hours with talking points and I would listen as best I could. She was confused and I felt for her. She said she still loved him, but just couldn't take it anymore. Ultimately, she decided that it would be best for her and her career that they split. It was a hard decision and Raymond took it pretty hard. Eventually he left the house, got his own place and waited for her to call and ask him to come back.

Raymond called me several times, too, asking what he did for Minnie to feel that way. They never really argued, their dual incomes provided for a comfortable life and they has a lot of sex. Ah, there it is... I told him. After trying to explain to him, we hung up and I haven't heard from him since. In these many weeks after splitting up with him, Minnie told me her heart ached for his long and heavy cock. I told her she needed some sexual diversions if she was so frustrated.

I told her I would take her to a little sex shop I knew down in the arts district. We went and perused the shop for toys. She said she wanted one that would remind her of Raymond's big cock. She had told me stories before they got married that his cock was huge. One day in their fooling around, she measured it and it was almost ten inches long. I told her I couldn't imagine something that large inside me!

Minnie looked up and down the aisles, finally deciding on the best one. She felt her pussy slightly pulsing, remembering how beautiful and large his cock was and how she would wrap her lips around it's head and her sweet tongue would move like a butterfly sucking nectar from a flower. Her regrets were many, but her decision was made and that was the end of it. She was having way too many erotic thoughts that she was now trying to decide whether to purchase a fucking machine or just several vibrators and dildos. She ultimately decided on both, but no machine.

We finished up at the store and drove home. She asked me to drop her off so she could try her toys first in private. I agreed, giggled, and she left.

She told me later that after she got home, she unwrapped everyone of her new toys. She said she picked a small vibe first and put it right on her clit. Raymond would suck her clit gently until she came, she said. Sometimes, Minnie would squirt and he loved that. Her thoughts of Raymond and her wet pussy sent her into an erotic spin. She spread her as far as she could, and with them stretched up in the air, she began

to finger fuck her every hole. She wanted to think she was still riding on Raymond's cock.

Now she remembered melting into a woman's arms; soft, tender and stress-free in the brief affair with a female coworker. She remembers loving every minute of their pussy munching. Stella was beautiful and well built with short hair and curvy legs. She and Minnie had spent many erotic evenings together in the very room she was fingering herself. Her nights and weekends with Stella were hot, very hot. They would suck and fuck until dawn.

Stella was a champ with a strapon and loved sucking toes, too. She loved fucking. I mean she loved fucking, almost as much as Raymond. This thought had Minnie squirting to the ceiling. Stella was always a phone call away, but now Minnie had her own toys. She took the largest dildo she bought and plunged it as deep as she could into her soaking wet pussy. Soon it was more than her pussy could bear. That's my Minnie.

## MAULED AT THE MALL

Just over a month ago a new men's store opened at the mall near my house. I had wanted to stop in and see what they carried but work was just so time consuming that I didn't get the chance. Until last weekend. Ads in the newspaper said they were still having their grand opening specials and I needed a couple pairs of slacks for work. It seemed like a nice store and there were probably five or six single guys in the store, a few couples and several single women. All were smiling large and doing their best to make a sale.

Now I'm not the best looking guy,

but I'm not bad. Almost six foot, and salt and pepper hair. I'm looking for a 34 x 34 pant, no cuff. One in black and one in dark blue. I find a black one and head off for the dressing room. I find an empty room (they were all empty) and tried them on. Too big. I go back for a smaller size and see Marilyn straightening the pant display I was just at. I kinda apologized for making a mess and she just giggled and asked if those fit. I told her I needed a smaller waist and told her 33" would probably be right.

She quickly found one and handed it to me and I said that if these fit, I would like to get a pair in dark blue. She said she'd find one as I headed back to the dressing room. I went in and hung the pants on a hook as I undressed.

Then I heard someone else come in to the changing area. I heard the latch on my dressing room door open. Then in steps Marilyn with the dark blue pair and says that I should try these on too. I'm standing there in my boxers with a cute salesgirl really wanting to make the sale. Then I felt a long fingernail trace the waistband of my boxers.

I struggled to say something appropriate, but instead I felt my blood begin to rush to my cock as she tugged at my underwear, pulling them down around my ankles. She pressed herself against me and I could feel her nipples poking against her polo shirt. She planted a kiss on my neck and my mind began to reel as her hands

found my cock and she began to play with it.

My cock was erect by now and I closed my eyes as one of her hands slid up and down the length of my shaft, and the other began to knead and massage my scrotum. I reached down and rubbed my hand against her crotch as I pushed her against the wall and knelt down in front of her. She had already unbuttoned her pants and pulled them and her panties down in one swift motion.

She was smoothly shaved and smelled sweet and a little musky and that was a huge turn on. I kissed her tummy and worked my tongue down on her mound. She spread her legs slightly, and

I pulled her panties off. She gasped as I began to nuzzle in her pussy. I began to kiss and lick softly along the opening of her pussy lips, and she lifted her legs so that her weight was now being borne on my shoulders. I teased her pussy, kissing and licking it. She wrapped her legs around my head and pressed my face tighter into her crotch. Her fingers were running through my hair as I sucked on her pussy, and her breathing became quicker and louder.

Marilyn couldn't take anymore of my tongue and climbed off of my shoulders drawing me to my feet. She made me sit on the bench and immediately went for my cock. She took it into her mouth and began pumping furiously. I closed my eyes and listened to the sounds of her slurping and sucking on my cock were driving me crazy. She gave my cock one long suck and then stood up. She turned away from me, took hold of my cock between her legs and started to sit down on my it, reverse cowgirl style as I guided my cock into her warm pussy.

Everything she was doing was driving me crazy. I kissed her, and I felt her tongue trying to enter my mouth but most of my attention was directed towards fucking her brains out as quickly and as quietly as possible. I adjusted my penetration so that I could bring my arm around her and continue rubbing her clit. She pumped her body up and down on my cock as I pounded in and out of her. She began biting my ear while trying not to scream. I could feel my come beginning to rise as well and told her so. In response, she tightened the grip of her interior muscles on my cock and I increased the rate of my pumping.

I moaned into her ear that I was about to cum and she told me to hold it for a moment and getting off me, she dropped to her knees and took my cock, and then all my spurting love juices, deep into her mouth. I held her head there as I emptied my balls. She stood up and gulped a last swallow and licked her lips. She fixed her hair as best she could while I got my clothes back on. She exited the dressing room and disappeared into the store. I took my two pairs of slacks up front to the register to pay, all the time looking around for Marilyn. I didn't see her so I paid with my card and went home, wondering if this was a new approach to selling clothes. If it is, I'll be back for some new shirts next weekend!

– Drew, sitting in the food court
